Bridging Queensland's Just Transition Gap

*'... if justice is not central to transition policy and transition management, **an unjust system will persevere which is likely to perpetuate and exacerbate disadvantage and inequity**'*

- (Cooper Kulkarni, 2024).

4 System Levers for Change:

- Social Licence

- Community Benefits

- Empowering Community

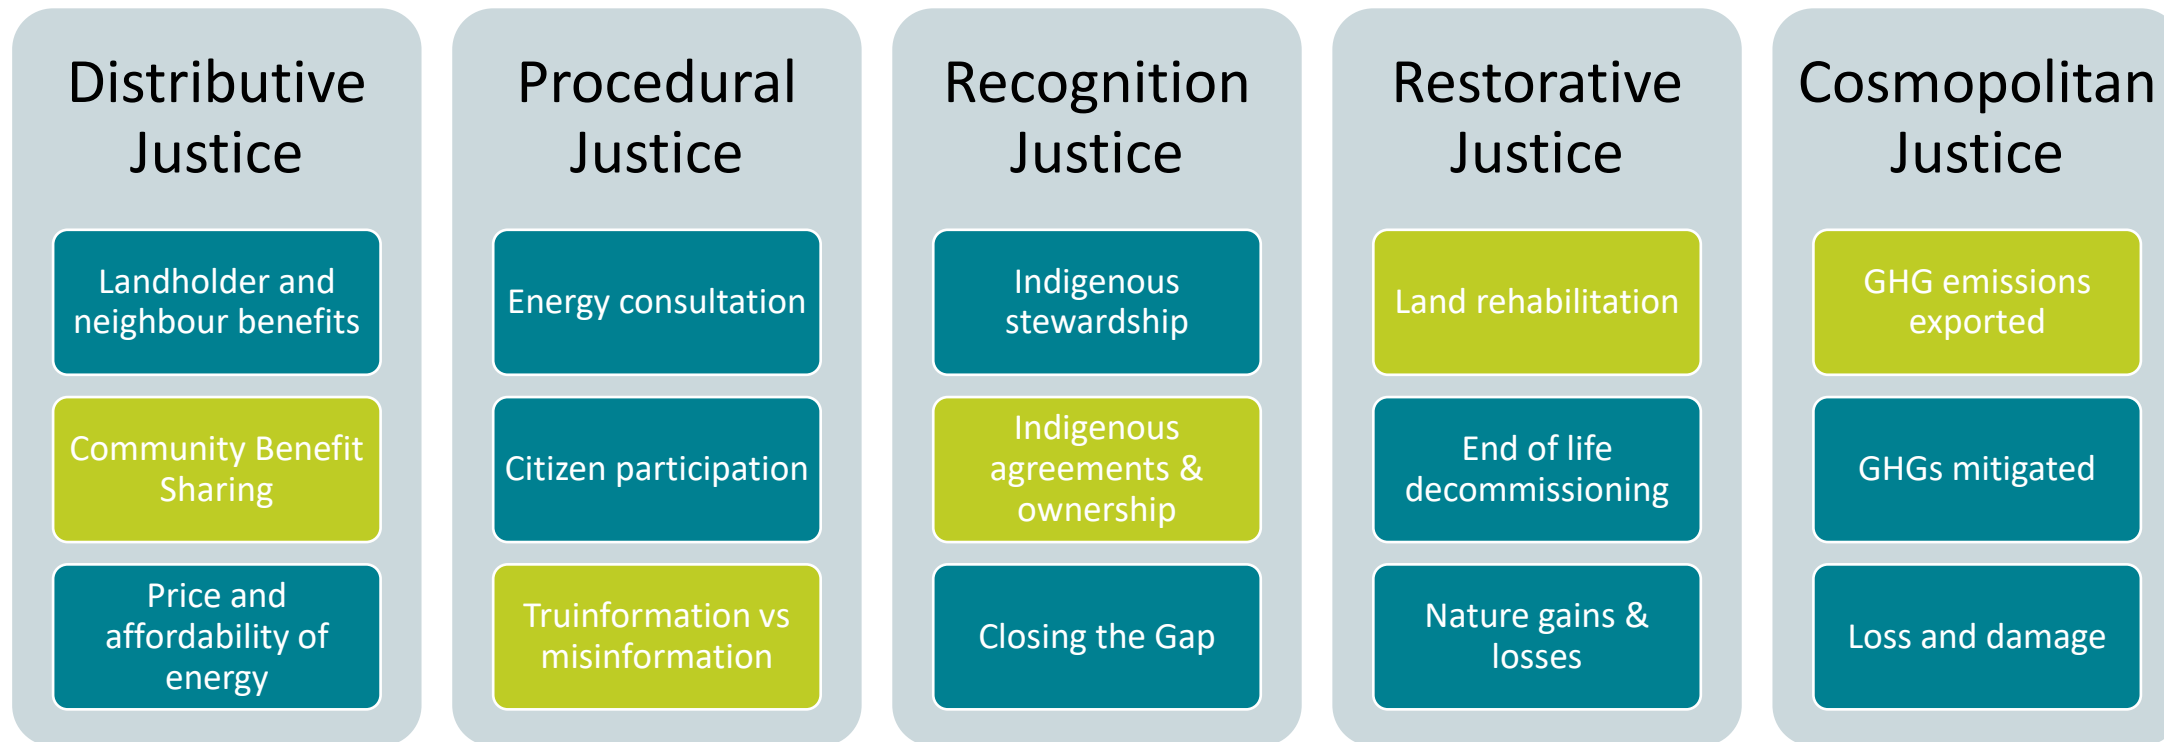

- Community Solutions

Measuring Queensland's Just Transition

Goal: *Thriving Communities through a Community-Led Transition*
